Brüderschaft Newsletter
December 2003
Blue River, BC

Dear Brothers and Sisters,

Greetings to all! Thank you for your membership contribution last winter, it was much appreciated. Your friendship and support will go a long way in helping a friend in need. We aspire to represent ourselves as well as the Brüderschaft St. Christoph that was established in the 14th century and is still very active and dedicated to helping people in need.

Our opening week was superb with excellent powder and great skiing. We hope to see you all back this winter to enjoy some skiing and share our love for the mountains.

The membership booklet is finally complete and we hope you enjoy it. Keep in touch! An advance apology is in order to those whose address may be incorrect. Please let us know if any information requires updating so we can stay in contact with each other. (Please email updates to Jayna Jung: jayna@wiegele.com)

You may have heard that this past summer we experienced wildfires in the North Thompson Valley that affected us with power outages and closed highways resulting in declining tourism. In spite of this adversity, the first annual Brüderschaft golf tournament was held in Clearwater with great success. Members were represented from Switzerland, Japan and Canada, and next year we hope to create a Festival with many more members in attendance.

Wishing you a Merry Christmas and prosperous New Year.

Your brothers and sisters in Blue River.

We are proud to be associated with such a good cause and with the family Adolf and Gerda Werner.
